A note from our Executive Director

Hi there,

We are so happy to welcome you to the historic Apollo Civic Theatre!

Over the past two years, I have had the incredible privilege of watching our theatre grow in ways both large and small. Our stage has welcomed new performers, our youth programs have expanded, community partnerships have strengthened, and more people than ever have discovered that there is a place for them at the Apollo.

As we begin our exciting 2026-2027 season, we are looking toward the future with tremendous energy and optimism. This season will bring bold productions, beloved stories, new opportunities for performers, and countless moments of creativity, laughter, connection, and joy.

At the Apollo, we believe the arts should be accessible to everyone. We remain committed to creating a safe, welcoming, and inclusive environment where people of all ages and backgrounds can express themselves, work together, and experience the transformative power of live theatre.

Our young people continue to be at the heart of our vision. Through workshops, mentorships, technical training, and full-scale productions, we are helping the next generation build confidence, discover their voices, develop lifelong skills, and experience the magic of bringing a story to life.

We are also continuing the important work of preserving and improving our beautiful 1913 theatre.

As we honor the Apollo's remarkable history, we are building a stronger, more accessible, and more sustainable home for the arts. One that will continue serving our community for generations to come.

None of this happens alone. Every audience member, performer, volunteer, educator, donor, sponsor, and community partner plays a role in the Apollo's story. Your presence, encouragement, and support help keep our stage alive and our future bright.

We invite you to experience everything our 2026-2027 season has to offer. Attend a performance, audition for a show, volunteer behind the scenes, enroll a young artist in one of our programs, or simply share the Apollo with someone who has not yet discovered us.

I would love to hear your thoughts and explore new ways we can work together. Please feel free to contact me directly at

aubrey@apollocivictheatre.org.

Thank you for being here and for believing in the future of the Apollo Civic Theatre. Together, we are ensuring that this beautiful theatre remains a beacon of creativity, inspiration, inclusivity, and joy for all.

I hope our paths cross again soon,

Aubrey M. Ervin

Marshall Brickman, born in Brazil of American parents, attended New York public schools and the University of Wisconsin, where he received a double baccalaureate in both science and music. He entered show business first as a member of the folk group The Tarriers and then, along with John and Michelle Phillips, as one of The New Journeymen, a precursor of The Mamas and the Papas, whose flamboyant life-style and eccentric harmonies defined the post-folk era of tuning up, turning on and cashing in.

His first foray into musical theater resulted in *Jersey Boys*, which won the Tony, Olivier, Helpmann, Grammy and many other awards worldwide, has been seen by twenty million people worldwide and is one of the longest running shows in the history of Broadway. The film version of the show was directed by Clint Eastwood.

Mr. Brickman's other theatrical efforts include *Turn of the Century*, which played to capacity houses in Chicago, and *The Addams Family*, starring Nathan Lane and Bebe Neuwirth, which ran for two years on Broadway and to date has had over four thousand first and second tier productions internationally. In addition to his work in film and theater, Mr. Brickman was published in *The New York Times*, *The New Yorker*, *Playboy* and other periodicals. He was the 2006 recipient of the Writers' Guild of America Ian McClellan Hunter Award for Lifetime Achievement.

After over 40 years in the business, trying to balance talent with opportunity and watching the careers of colleagues, both successful and less so, he can reduce what he's learned into one succinct bit of wisdom: above all, it's important to be lucky.

On Broadway: *Jersey Boys* (Best Musical, 2006 Tony Award, 2007 Grammy Award and 2009 Olivier Award); *The Addams Family*; *Peter and the Starcatcher* (winner of five 2012 Tony Awards); and *The Cher Show* (winner of two 2019 Tony Awards). In the pipeline: *The Princess Bride* and *Smash*, co-written with Bob Martin; *Silver Linings Playbook*, a musical adaptation of the popular film; *The Marvels*, a musical adaptation of the popular novel; and *Treasure*, an original musical written with 2021 Ed Kleban Award-winner Benjamin Scheuer. From 1982-1999, as creative director at Serino Coyne Inc, Rick created and produced ad campaigns for more than 300 Broadway shows, from *A Chorus Line* to *The Lion King*. From 1999-2009, he served as creative consultant for The Walt Disney Studio. Charter member, American Repertory Theatre. Trustee, The Actors' Fund. BA, Cornell University; MFA, Yale Drama School; Teaching Fellow, Harvard University. Heartfelt thanks to those he's been lucky enough to know, whose work makes him grateful for the day he was born: Sondheim, Stoppard, Bennett, Prince, Fosse, Robbins, Nichols, Tune, Nunn, Timbers, McAnuff, Laurents, Lippa, Stone, Taymor, Papp, Schumacher, Schneider, Costello, Coyne, Brickman, and eternally, Roger Rees.

Andrew Lippa is currently at work on numerous projects for stage and screen. New titles include *Fairy Tale*, written with Adam Gopnik, which tells the story of a father, a son, and the birth of Disco; *La Casa de las Flores*, written with Bob Martin and based on the hit Netflix Mexican television show; *The Turning Point*, based on the classic film and novel, for which Lippa is writing the book, music, and lyrics; and an original Christmas film musical titled *A Totally Awesome Christmas Story* with 10 new songs. His epic choral work *Unbreakable* had its world premiere with The San Francisco Gay Men's Chorus in San Francisco with 300 artists onstage including Mr. Lippa. Many more choruses across the country have presented this new work and the original cast recording, produced by legendary producer Leslie Ann Jones, was released by GhostlightRecords.com. He conducted the Royal Philharmonic Orchestra in a new production of his *A Little Princess* in concert in London at the Royal Festival Hall in May, 2018 to a sold-out crowd of nearly 3,000 people.

Awards: Tony, Emmy, Grammy nominations; shared Emmy for Nickelodeon's "The Wonder Pets"; SFGMC Vanguard Award; The Gilman/Gonzalez-Falla Theater Foundation Award; ASCAP's Richard Rodgers/New Horizons Award; The Drama Desk Award; The Outer Critics Circle Award. A graduate of the University of Michigan, Mr. Lippa serves as president of the board of The Dramatists Guild Foundation (dgf.org), recipient of the Tony Award for Excellence in the American Theater. He was born in Leeds, England, grew up in suburban Detroit, and is an ordained Interfaith minister.

Kay Panis
Stage Manager

Kay is so excited to be stage managing *The Addams Family* this summer. This is her 9th show at the Apollo since joining the team last YSTW for *Newsies*. She is so grateful for this team and would like to thank her director, Madison for always trusting her and making the last two shows such a blast. Most notable shows at the Apollo have been *It's A Wonderful Life*, *Alice in Wonderland JR*, *Steel Magnolias*, *Directing The Jungle Book KIDS*. She has also stage managed shows at her university including *Into the Woods*, *She Kills Monsters*, and *Picasso* at the Lapin Agile. She plans to graduate with her degree in Theatre, focusing in Stage Management and Directing. Enjoy the show and this cast that she loves dearly!

Now, places for top of show please!

Emma Shockey
Music Director

Emma Shockey found her love for music in the sixth grade when she started on flute. Since then, she has learned to play just about anything, but focuses on bassoon. She has participated in almost all YSTW pit orchestras since 2018 on a variety of instruments. Recently, you would have seen her in *Six: Teen Edition* on piano and *Newsies* on the reed book. Emma earned her bachelors degree in Music Education with a Bassoon Performance Certificate from Shenandoah University in May of 2025. Highlights from her time at Shenandoah include touring Argentina with the Symphony Orchestra in 2023, performing two recitals with a variety of collaboration, being in the inaugural Shenandoah Marching Band in 2022 in the rock band, and being a drum major for the 2025-2026 season, also getting to march in the London New Years Day Parade. Emma is currently teaching PreK-5 music in Marshall, VA, and is excited to make her music director debut here at the Apollo this summer!

Lily Ervin
Choreographer

Lily Ervin is 19 years old and is going into her sophomore year at West Virginia University as a BFA Musical Theatre Major with a Minor in Child Development and Family Studies. She is an alumni of YSTW and the Apollo Youth Programs, starting to come to the Apollo when she was around 3 years old.

Lily has directed and or choreographed multiple productions and is expanding her horizons with producing a show at 54 Below in NYC this summer! She dreams of being a professional actor, and plans to move to NYC after graduating college to nanny while auditioning for projects.

Nathan Shockey
Technical Director

Nathan (Technical Director) Nathan Shockey has spent the past five years immersing himself in the world of theatrical production, developing a keen eye for the transformative power of light and space. Currently expanding his technical expertise at Shenandoah University, Nathan is a versatile artist whose portfolio spans lighting, sound, scenic design, and technical direction. He is most recognized for his masterful lighting design of *Hadestown Teen Edition*, an achievement that earned him a perfect score at the International Thespian Festival. Nathan's work is characterized by a blend of technical precision and emotional storytelling, a combination he hopes to eventually bring to the Broadway stage. Driven by a deep-seated connection to *Hadestown*, he aspires to one day professionally reimagine his lighting for the show.

Megan Baldwin
Youth Program Director

Megan's involvement with Apollo Youth Theatre began in the spring of 2022 when her daughter took the stage in her first production, *Moana Jr*. What started as a supportive theatre parent quickly grew into a deeper role within the program. Megan has contributed in many ways over the years. In the spring of 2024, she stepped in to produce and coordinate *Finding Nemo Jr* and *Winnie the Pooh KIDS*, and now proudly serves as the Youth Program Director. Megan is passionate about creating a welcoming environment where young performers can grow in confidence, creativity, and community. She is deeply grateful to the parents and volunteers who help make these productions possible.

Director's Note

Welcome to the Apollo Civic Theatre for our 2026 Youth Summer Theatre Workshop performance! I am so excited to finally be bringing The Addams Family to Martinsburg and sharing this spooky, cooky, and heartfelt show with you all. It has been my privilege to be the YSTW Director for the past few years. I am always amazed at the talent that walks through our doors every summer and the heart and drive these kids bring to the stage.

What does it mean to be an Addams? Well, we will be happy to share that with you! I think Gomez and Morticia say it best - "Who cares about the world outside and what it wants from you. When you're an Addams you do what Addams' always do!" One of my favorite parts of YSTW is meeting new students and seeing the special skills and talents they bring with them. I am constantly surprised by what these kids are capable of and what they want to do to be better performers. For a few weeks in the summer, our students walk in the doors of the Apollo and are allowed to be their authentic selves, just as the Addams Family proudly shows us. Whether you are a dark and broody Wednesday, or a crazy and eccentric Grandma, take a note from the Addams' and celebrate who you are!

Thank you for continuing to support the arts in our community. The Youth Summer Theatre Workshop means so much to me and I am so happy you are here with us today. Enjoy the show!

Madison Mitchell
Director

Madison Mitchell (Director) is so thrilled to be back for her third summer as Youth Summer Theatre Workshop Director. Madison has worked as a theatre educator in Hagerstown, MD and Martinsburg, WV, where she recently finished her position as the Theatre teacher at Martinsburg High School. She also serves as the Area Director for Area 3 WV Thespians. When she's not at the theatre, Madison is usually spending time with her husband and cats, reading and crafting. Thank you to everyone at the Apollo and this community for supporting theatre and performance. And a big thank you to her husband, Nick, who is always her biggest encouragement. We hope you enjoy the show!

Thank you for your support!

Dear Friends,

Welcome to the Apollo Civic Theatre, and thank you for joining us for today's performance. Whether you're a longtime patron or visiting us for the first time, we are grateful that you've chosen to spend your time with us in our historic theatre.

Your support means so much to everyone who makes the Apollo possible. By attending our productions, you help preserve this beautiful building, support our mission of bringing quality performing arts to our community, and encourage the continued growth of community theatre for generations to come.

If you would like to further support the Apollo, we welcome donations of any size through our website. Every contribution helps provide for building improvements, staffing, costumes, sets, educational programs, and countless behind-the-scenes needs that bring each production to life. Businesses and individuals looking to make an even greater impact can also explore our many sponsorship opportunities.

It is truly an honor to serve as President of the Apollo Civic Theatre. I am humbled to follow the remarkable legacy that Michael Noll has built through his years of dedication to this amazing building and the programs within it. As we look toward the future, I am excited to continue building on that foundation and to see our little community theatre grow, thrive, and inspire even more people through the performing arts.

Thank you for being part of the Apollo family. Enjoy the show!

Warmly,

Stephanie Johnson

In the tradition of "Glee" and The 25th Annual Putnam County Spelling Bee, comes Band Geeks, a celebration of the tribulations of the millions who have spent football halftimes pounding out Sousa-like renditions of "Maria." Whether you were in the band, on the team or in the stands, you'll recognize the woes and revel in the fun of Band Geeks.
