A note from our Executive Director

Hi there,

We are so happy to see you here at The Apollo!

As the new Executive Director, I am excited to share my vision for our theatre as we embark on a journey of growth and transformation. Our community deserves a vibrant cultural hub that not only showcases talent but also fosters creativity, inclusivity, and connection.

At the Apollo Civic Theatre, we believe that the arts should be accessible to everyone. We are committed to creating a safe and welcoming space where individuals of all backgrounds can express themselves, collaborate, and find joy in the performing arts. This vision includes expanding our programming to ensure that every member of our community feels represented and valued.

One of our primary goals is to enhance our offerings for youth. We understand that engaging young people in the arts can inspire creativity and confidence, and we are eager to develop new programs tailored to their interests and needs. From workshops and mentorships to full-scale productions, we want to empower the next generation of artists and audience members.

To achieve these goals, we invite your support and collaboration. We believe that by working together with local organizations, schools, and community leaders, we can create a rich tapestry of programming that reflects the diverse voices of our community. Whether through partnerships, sponsorships, or volunteer opportunities, your involvement can make a significant impact.

I am eager to hear your thoughts and explore how we can collaborate to enhance our offerings. Please feel free to reach out to me directly at aubrey@apollocivictheatre.org

I look forward to the possibility of working together to cultivate a thriving artistic environment in our community.

Thank you for visiting us. Together, let's make our beautiful Apollo be a beacon of creativity, inspiration, inclusivity, and joy for all.

I hope our paths cross again soon,

Aubrey M. Ervin

Director's Note

Welcome to the jungle! Bringing The Jungle Book KIDS to life has been an incredibly fun and rewarding journey. This production celebrates friendship, courage, and the idea that family can be found in the most unexpected places. Just like Mowgli learns throughout his adventure, the world is full of different voices, talents, and personalities, with each person being important in their own way.

I hope that as you watch this performance, you feel the joy that these young actors and our team have poured into every song, dance, and moment on stage.

Huge thank yous to our production team, families, and YOU for encouraging these young artists and helping make this adventure possible. Most of all, thank you to our cast for their hard work, imagination, and drive in adventuring into this jungle as one. Watching them grow more confident and supporting each other has been one of the most rewarding parts of this process.

We hope you enjoy our wild and wonderful journey through the jungles of west virginia!
